SUMMARY JOB DESCRIPTION

<i>Efficiently controls the parts inventory, together with the parts manager and performs related administrative tasks. Assists the parts clerk (counter).</i>

The MAJOR TASKS are listed below, but the incumbent may be assigned to other duties.

- Orders parts on a daily basis.
- Stocks and records orders received.
- Notifies the individuals concerned as soon as specially ordered parts are received.
- As far as possible, assists the parts clerks (counter) in processing customers, cheques, and insurance and credit card matters.
- Updates the files on electronic parts.
- Keeps the parts pricelist up-to-date.
- Compiles the stock control reports, to obtain an accurate summary of the reserve supplies and determine re-procurement needs.
- Provides the claims department with the information needed to ensure that the manufacturer's parts warranties are promptly recorded.
- Reviews the files to obtain a summary of unsold articles and recommend the elimination of excess stock.
- Ensures that credit is granted for returned parts.
- Returns parts, as necessary, and subtracts them from the inventory once credit has been granted.
- Matches the purchase orders and the invoices, approves them and sends them to the accounting department.
- Files all invoices issued by the parts counter.
- Acts as backup to the parts manager in inventory management tasks.

- Assists the parts manager in processing the weekly stock orders.
- Participates in preparing and taking the annual parts inventory.
- Participates in the annual parts return.
- Participates in telephone follow-up for the parts department.
- Ensures that the area set aside for parts is clean and tidy.
- Maintains a professional appearance.
- Performs other duties, based on management requirements and instructions.
